

EXPLANATION

—100—
Gravity anomaly contours
Dashed where approximately located;
interval 2 milligals. 300 milligals
were added to the Bouguer anomaly
at each station to make all values
positive

—128—
Contour enclosing area of lower
gravity anomaly

+
Gravity station

B ————— B'
Gravity anomaly profile

GRAVITY ANOMALY MAP OF THE MOAB-NEEDLES AREA, UTAH
